Ana Mandara Hue, located directly on Thuan An Beach a scenic 20 minute drive from central Hue. The quiet sounds and vistas of the sea will welcome guests to this establishment, distinguished as the only beach resort with pool villas in the area. With an extension of 2.8 hrs and 400 mts of beach front.

Hue City was the Imperial Capital of the Nguyen Dynasty between 1802 and 1945, until which time it was also the National Capital. During French occupation, the treasured monuments and architecture were respected, and despite the turbulent years of the 20th century, the many historic points of interest went significantly unscathed. Today, it has earned a place as a UNESCO World Heritage Site.
